

DuPont CORIAN® 10-Year Limited Warranty*

Something you can believe in.

Congratulations on a smart investment in DuPont CORIAN® surfaces. Your new installation entitles you to certain quality assurance standards as provided in the Residential and Commercial Limited Warranties.

To register for this warranty, have your Fabrication/Installation Source fill out and mail the registration card. To obtain service under this warranty, contact the source from whom you purchased CORIAN® or DuPont.

General Warranty Guidelines

DuPont warrants to the original owner of a CORIAN® installation as provided in the DuPont published technical literature that DuPont at its option will repair or replace, without charge, such product if it fails due to any manufacturing defect during the first 10 years after initial installation except for damage caused by physical or chemical abuse, damage from excessive heat, or acts of nature. This includes necessary labor charges needed to repair or replace the product covered hereunder.

Residential Warranty

DuPont continues to lead the industry with a strong warranty program, and under certain fabrication/installation conditions, your investment can be covered for a full 10 years to be free of manufacturing, fabrication or installation defects.

This warranty is transferable within the 10-year period **only** when the new owner writes to DuPont (see address below) to register the installation under a new owner's name. The Care and Maintenance tips card will be sent to the new owner detailing the proper maintenance of the CORIAN® installation.

This Residential *installed* warranty applies to **permanently installed** CORIAN® surfaces:

1. Purchased after January 1, 1992, for residential use in the United States and Canada.
2. With a warranty, officially stamped with the DuPont Quality Mark, which includes the DuPont Certified Fabricator/Installer identification number.
3. Which have not been removed from their original place of installation.
4. Which are maintained according to the Care and Maintenance of CORIAN® tips card (C952-H56461). A copy may be obtained, free of charge, from your DuPont Certified Fabrication/Installation Source or by contacting DuPont.
5. Including seam performance, not appearance.

Commercial Warranty

The Commercial warranty applies to **permanently installed** CORIAN® surfaces:

1. Purchased after October 1, 1994, for commercial use in the United States and Canada.
2. Which are maintained according to the Care and Maintenance of CORIAN® tips card (C952-H56461). A copy may be obtained free of charge, from your DuPont Certified Fabrication/Installation Source or by contacting DuPont.
3. Which fail due to a manufacturing defect.

Specific Rights

DuPont's obligation hereunder is limited solely to the repair or replacement including necessary reasonable labor charges of the CORIAN® product purchased hereunder. No implied or expressed warranty of merchantability or fitness for a particular purpose is granted by this warranty except as expressly stated herein. Except as provided herein, DuPont shall not be liable in either tort or contract for any loss or direct, consequential or incidental damages arising out of the use or inability to use CORIAN® in Residential or Commercial applications as stated herein. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives the purchaser specific legal rights: other rights may also be available which may vary from state to state or, in Canada, from province to province.

The 10-year Limited Warranty coverage for DuPont CORIAN® is your ultimate assurance of lasting quality. For more information about this warranty, please contact DuPont CORIAN® directly by writing or calling:
